👋! GitHub Classroom created this pull request as a place for your teacher to leave feedback on your work. It will update automatically. **Don't close or merge this pull request**, unless you're instructed to do so by your teacher.

In this pull request, your teacher can leave comments and feedback on your code. Click the **Subscribe** button to be notified if that happens.

Click the **Files changed** or **Commits** tab to see all of the changes pushed to `master` since the assignment started. Your teacher can see this too.

This one is tricky. The issue is that the "i" character in the 2nd line isn't really an "i" (note that the dot is missing). This would work if it were written out correctly.

10/10

Good job. For this report, just answering the questions was what I asked for, but in future reports you'll need to make sure that you include discussion of what it is that you did.
